

LARNACA, CYPRUS
Established in 2019

20 OTHER STAFF

RESEARCH AND EXPERTISE

Marine Biotechnology & Aquaculture

Ocean Literacy

Naval Architecture

Ocean & Marine Engineering

Maritime Digitalisation

Marine Robotics

Marine Observation

Marine Cultural Heritage

Ocean Governance

Marine and Coastal Research, Conservation and Restoration

RESEARCH EXPERTISE & KEY RESEARCH PROJECTS

77

Notable Scientific Publications

30

Key Research Ongoing Projects

RECENT AWARDS

- HR Excellence in Research
- Erasmus accreditation in vocational education and training

RESEARCH INFRASTRUCTURES

12

Research Vessels, Underwater Vehicles & Large Equipment

4

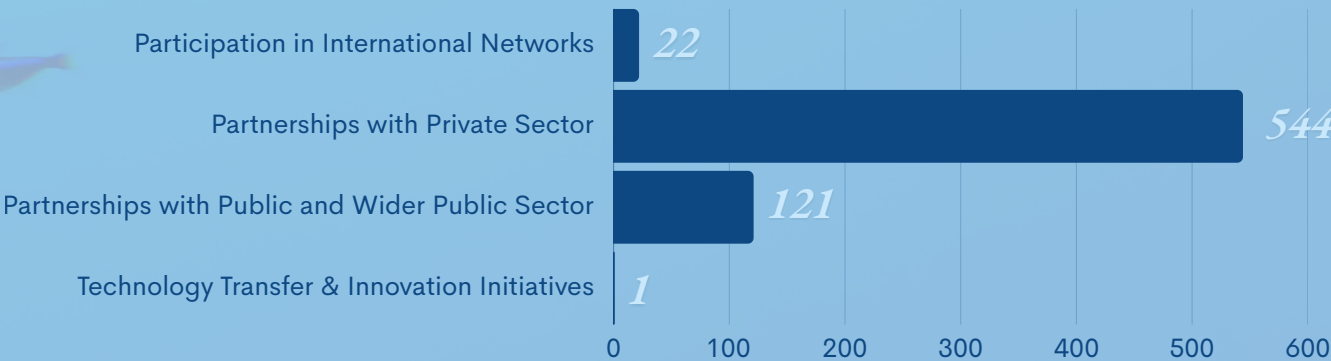

Flumes and Test Labs for Ocean Engineering, Marine Biology Stations & Fixed Point Open Ocean Observatories

3

Marine Data providers & Other Research Infrastructures

COLLABORATION & INNOVATION

PUBLIC ENGAGEMENT & OUTREACH

27

Educational Programs or Training Initiatives

15

Key Events Recurrent and One-Offs

9

Citizen Science or Public Engagement Projects
